

# Fit Guide

Use our fit guide to measure and discover the perfect fit for you... For us!

**\*For best results, lay a well fitting shirt on a table and measure as shown.**

## A. Chest Width

Measure across the chest 1" below arm hole.

## B. Sleeve Length

Measure from the center of the neck, across the shoulder then to the end of the sleeve (cuff included).

## C. Back Length

Measure from the center of the back at the neck to the bottom of your shirt (hem or waist band included).
